A Year of Purpose, Impact, and Fellowship

Reflections from the Outgoing Rotary Year 2025–2026 Club President

As the Rotary Year 2025–2026 draws to a close, we look back with profound gratitude on what our club has achieved. Through tireless dedication, the Rotaract Club of Metro Dadiangas has championed transformative initiatives across all 7 Areas of Focus of Rotary International.

From coastal cleanups along Sarangani Bay to disaster response missions and youth empowerment symposia, every member of RACMD stepped forward with courage. Together, we proved that service above self is not merely a slogan, but our guiding beacon in General Santos City.
